ALUMNI SPEAK.....

The days I spent at SBS family was one of the most remarkable days of my life. SBS have give me immense love and real world skills. It has enhance my technical aptitude and interpersonal skills. I am thankful to SBS for all knowledge and experience and making me future ready.

Gagandeep Kaur (B.Tech CSE)
Placed in Six Blue Chip MNCs

I have seen my self evolving as an all rounder whilst progressing in academics along with my overall personality as a leader. I have got many opportunities from the TP cell of my college for my placement and the faculty helped me alot to secure placement.

Rahul Dhawan (B.Tech CSE)
Placed in Accenture

I am glad to introduce that I have completed my Diploma in Mechanical Engineering (2017-2020) from SBS State Technical Campus which now has become Shaheed Bhagat Singh State University, Ferozpur. The University has an amazing campus and provide opportunities for overall development. The faculty and staff are really helpful. They make sure that the student should be comfortable and do progress well in their life. I got placed in Daikin India through Campus Drive and I thank Training and Placement Cell of Poly Wing for their efforts. "I believe that the first step to achieve your career goal is to choose the right college and I recommend SBS is the right platform to pursue your Diploma".

Nitish Singh (Diploma M.E)
Daikin India Ltd.

Being a student of SBS has been a wonderful opportunity towards my life and carrier. The numerous number of opportunities at each stage helps in creating an overall personality. Here we are introduced to different technologies, seminars, workshops to enhance our technical skills, thanks to the great faculty and some great experience of labs that helps us to gain practical experience.

Apart from this our placement cell guided us throughout the year to help us secure great placements.

Bhanu Chalotra (B.Tech CSE)
Placed in Infosys & Cognizant

Diksha Palta is our Star Alumni, B Tech CSE 2020 batch passout A very passionate person about work. Result oriented and a good communicator. Placed in Lido Learning as BDA (@) 10 LPA & Byjus, The Learning App as Product Specialist @5 LPA

Diksha Palta (B.Tech CSE)
Placed in Lido Learning

Our distinguished Alumni Alisha, B.Tech ECE 2020 passout During her studies, she was placed in four blue chip IT companies viz. TCS, Cognizant, IBM and Accenture She is working currently at the role of Programmer Analyst Trainee in Cognizant at package of 4 LPA. Her role is of a Big Data Developer to ingest banking related data from various sources into a single platform and to monitor the production data in a North America based project of American Express.

Alisha (B.Tech ESE)
Placed in IBM, ACCENTURE

I have had an amazing time studying at SBS, the comfortable study environment, friendly faculties and wonderful resources. There are so many activities that you could participate in along the way to get more campus life experience. You can join a club, make more friends and so on. I am sure you will grow, improve yourself and become a better you.

Ashita Singh ECE 2017-2021) TCS

PARENTS SPEAK.....

We are delighted that our child is placed in Impetus who has pursued her B.Tech. in Electronics & Communication Engineering (ECE) from very reputed institute in Punjab SBSSTC which has been recently upgraded to Shaheed Bhagat Singh State University. We wish heartiest congratulations to staff for promotion of institute to university level.

Raj Kamal Syal F/o Alisha (ECE 2016-20)
IBM, ACCENTURE

I thank Punjab Govt. for promoting SBS State Technical Campus to Shaheed Bhagat Singh State University. Starting from its inception, SBS is maintaining the high pace of growth. The University has number of high-end analytical, computational and experimental facilities at the disposal of students.

I congratulate Training & Placement cell of University for actively working for the placements of students and due to their efforts my daughter Diksha Palta also got placed through campus drives in two companies' viz. LIDO Learning's and BYJUs at package of 10 LPA and 5 LPA respectively. I wish all the best to the aspiring students, parents, employers and all other stake-holders in achieving their goals.

Anil Palta F/o Diksha Palta (CSE) LIDO Learning

Our son Deepak Rajwani, completed his B.Tech in Mech Engg. from SBS in 2007. We are thankful to SBS for providing this life changing platform where the real transition from child to adult takes place. He has grown immensely both personally and professionally during these four years. After passing out from college, a good job is always a priority for the student and he got placed in Oracle through on-campus placement. However, based on his skills and knowledge gathered from college he was able to clear exams of PSUs too and finally joined Maharatna PSU NTPC Ltd.

Sunita Rajwani M/o Deepak Rajwani (B.Tech. ME)

I am very Thankful to the entire faculty of the ECE department and SBSSU for providing my ward with such a lovely environment to learn and grow both personally and professionally, I highly recommend SBSSU to all parents who are looking for their ward's bright future.

Ghanshyam Prashad F/o Avinash Arya (ECE 2018-22) Zscaler

Very Proud. Happy to have responsible daughter. Thanks Shaheed Bhagat Singh State University for giving her bright future. Hard work always pays off.

Sunita Singh M/o Sakshi Singh (ECE 2016-20) Mavenir Systems

SBSSU has given my daughter an opportunity to spread her wings and embark on a magical journey. I will always be proud mother of my daughter Ashita who complete B.Tech. ECE from SBSSU in 2021 and has been placed in many MNCs like TCS, WIPR & also Infosys. Thank you SBSSU for giving my daughter a beautiful future.

MINISTER'S MESSAGE

In the modern era of dynamically changing techno-social environment, engineers and scientists play a proactive and pivotal role to steer the technology for exploring newer horizons of knowledge related various domains of society. An educational institution has a profound role to play in the building of a nation, a society and an individual. It demands high level of expertise and care when the recipients of that education are slated to perform roles of high responsibility.

The true mission of the institution is to build an extraordinary foundation of academic excellence with global impact. In the face of new challenges and fresh opportunities, let us work for greater accomplishment with our single minded determination and unremitting efforts. The present century has been seeing lot of innovation and changes in the processes.

The challenge, shared by all institutions, is to help to generate the intellectual property which will create new jobs, and to educate and train people to work in fields where they will be valued both for their specialized knowledge and their ability to orient their minds towards research and development to solve the problems of society. It gives immense pleasure while transforming youth to be a professional with a sense of value and determination, an approach that guarantees one thing - SUCCESS through pursuit of knowledge.

The Department of Technical Education is planning skill based technical education in near future in order to have maximum placements for graduating engineers of the region. The new era bridges a gap between the academia & industry so that the technical education can boost.

I am glad to note and wish that Shaheed Bhagat Singh State University in Ferozepur has enormous potential to build on these strengths and rise to even greater heights of distinction in field of technical education and research in the near future.

S. Bhagwant Mann

Chief Minister &
Minister of Technical Education & Industrial Training
Punjab

Hon'ble

VICE CHANCELLOR'S MESSAGE

In Pursuit of Success through Excellence

“Join SBSSU if you have Ambition, Dream & Vision to excel in life”

I am pleased to welcome students to Shaheed Bhagat Singh State University (SBSSU), Ferozepur. SBSSU stands for imparting quality education which will not only prepare them for their academics but to face challenges of current times at global level.

At times, when newer emerging technologies and automations are creating disruptions in all technical enterprises as well as in technical education, SBSSU is committed to provide modern technical education training to bolster self-learning abilities and innovativeness of young minds, preparing them to harness new emerging avenues and opportunities. University has developed partnerships at national & international level with top ranked universities, renowned corporates and institutions for academic exchange and training of students. SBSSU strives to make technical education affordable to all meritorious students through various support systems and scholarship schemes.

With modern infrastructure, a vibrant 100 acres lush green campus and highly qualified faculty with national and international exposure, we produce highly skilled and motivated technical manpower to serve the needs of the industry and society. We are producing not only students who are job ready but who are job creators, entrepreneurs and future leaders. We also lay great stress on campus placements. Our training and placement cell is quite dynamic with impressive placement record.

Join to make use of a myriad of opportunities as the SBSSU is offering a wide array of world class courses, both at undergraduate and post graduate level, in Engineering, Science and Technology, Management, Architecture, Agriculture, Computer sciences, Commerce and many more through in its campus. You will have a unique opportunity to simultaneously graduate in two engineering disciplines, a Major and a Minor. We also offer advanced research programme leading to Ph.D. in all disciplines.

As this famous saying goes “The days are long but the years are short”. Focus on giving your 100% every single day, while your 100% today will differ from your potential tomorrow, I feel that is the way to get fulfilment and contentment with what you do. I would also encourage students to not only just focus on their academic responsibilities but also devote at least 30 minutes every single day in doing any physical activity that you love. We, at SBSSU have all the state-of-the-art facilities to take care of your good health.

I assure students that SBSSU provides you a great opportunity to excel and succeed globally, I wish you a bright future.

Dr. Buta Singh Sidhu

Vice Chancellor

Shaheed Bhagat Singh State University

Ferozepur

Introduction

1.01 The Historical Background

Initially the University was established by the Government of Punjab in 1995 with the name 'Shaheed Bhagat Singh College of Engineering & Technology' as a tribute to the great martyr Shaheed Bhagat Singh. In the academic year 2011-12, it was upgraded to the status of a state technical campus and rechristened as “Shaheed Bhagat Singh State Technical Campus, Ferozepur”. In the academic year 2021-22, it was upgraded to “Shaheed Bhagat Singh State University”. The university is fully promoted by the Punjab Government and is registered as a Society under the Societies Registration Act 1860. Its affairs are administered by a Board of Governors. The State University, with its lush green state-of-the-art facilities spread over 98 acres is situated on Ferozepur-Moga Road, about four Kilometers away from the Ferozepur City.

The City, Ferozepur

The city, Ferozepur is situated on the Indo Pakistan International border. It is well connected by road and rail with important cities like Amritsar, Ludhiana, Jalandhar, Chandigarh, Delhi and rest of the country. As per the annals of history, Ferozeshah Tughlaq founded the city in the fourteenth century. However, it is also believed that its founder is Ferozekhan, one of the Bhatti chiefs. Having a rich heritage, it indeed has maintained its name. In the undivided India it has been a centre of trade and commerce. Ferozepur, with numerous holy shrines, historical places and memorials in and around, has earned a rare status. The hallowed Samadhis of the martyrs Bhagat Singh, Rajguru and Sukhdev, the Saragarhi Gurudwara commemorating the heroic sacrifice of twenty one Sikh soldiers at Saragarhi post in Baluchistan and the Jain Swetambar Temple at Zira constructed in 1890 A.D. are some of the places of pilgrimage showing the spirit of universal brotherhood.

1.02 Statutory Authorities and Other Committees

The Statutory authorities of the State university are

- a) Shaheed Bhagat Singh College of Engineering and Technology Society and
- b) The Board of Governors

To take care of other important administrative and financial matters of the State university, the Board of Governor has constituted other various committees.

- 1) Finance Committee
- 2) Buildings and Works Committee
- 3) Equipment and Stores Purchase Committee
- 4) Staff Selection Committees

2 Academic Wings at a Glance

The academic activities of the SBS State University have been divided into six academic wings offering various courses at Graduation, Post Graduation and Doctoral Research levels as follows:

- | | |
|--------------------------------|---------------------------------------|
| 1. Engineering Wing (EW) | 4. PTU Regional Center for PG Studies |
| 2. Computer Application Deptt. | 5. Agriculture Wing (AW) |
| 3. Polytechnic Wing (PW) | |

Overview of all the Academic Wings, their departments and the Courses offered are summarized in following sub-sections:

2.01 Engineering Wing (EW)

The Engineering Wing (EW) offers AICTE approved undergraduate programmes leading to B.Tech degree in six disciplines namely Chemical Engg., Computer Science & Engg., Electrical Engg, Electronics & Communication Engg., Civil Engg. and Mechanical Engg. and postgraduate programmes leading to M.Tech degree in disciplines namely Computer Sc. & Engg., Electronics & Communication Engg., Electrical Engineering, Chemical Engineering and Mechanical Engineering. Students are admitted in B.Tech course on the basis of merit as per instruction of SBSSU Uni/Pb. Govt. An additional 10% of the sanctioned intake in each course is admitted to second year of B.Tech. on the basis of merit of three year Diploma courses as per SBSSU University guidelines. All the EW courses are affiliated to SBSSU University, Ferozepur and recognized by AICTE. The academic year is divided into two semesters, July to December and January to May. University examinations are held at the end of each semester.

2.02 Agriculture :

The university also offers Bachelor of Science [B.Sc.] Agriculture, an undergraduate course that focuses mainly on agricultural science with intake of 60 seats. The course duration of B.Sc. Agriculture is 4 years. This degree deals with disciplines like- Agricultural Microbiology, Soil Science, Genetics and Plant Breeding, Plant Pathology, Food Microbiology etc. The eligibility criteria for B.Sc Agriculture course is 10+2 from a recognized board having Physics, Chemistry, Biology/Mathematics as mandatory subjects. Since Agriculture is the backbone of our country, there will be an evergreen job scope for B.Sc Agriculture course in India. Agricultural officer, Agriculture Research Scientist, Agricultural Analyst are some of the popular jobs one can get after completion of B.Sc Agriculture course.

2.03 Architecture Wing

School of Architecture, SBS State University, Ferozepur was established in the year 2015 and is duly recognized by Council of Architecture, New Delhi. It is offering 05 years course of Bachelor of Architecture (B.Arch.) with affiliation to SBSS University with annual intake of 20 seats. Architecture is a great field of study for those who are artistically talented and interested in creative design and the built environment. Our Bachelor of Architecture program allows students to tap into their creative talents, introduces them to the challenging world of building design and construction and prepares them to become change agents of the future.

2.04 Computer Applications Wing

Computer applications Wing was established in the year 2010 with an objective to provide quality professional education in the areas of Computer applications. This academic wing has been housed in Block-F that has all modern facilities for conducting graduation(BCA) of three years duration ,post graduation course(MCA) of two years duration and post graduate diploma course(PGDCA) of one year duration. Post graduation course M.C.A. is AICTE recognized and affiliated to SBSSU, Fzr. The Graduation courses BCA and PGDCA are non-AICTE courses. The academic year is divided into two semesters, July to December and January to May. The examinations are held at the end of each semester.

2.05 Polytechnic Wing (PW)

The Government of Punjab established Polytechnic Wing in the year of 2009 under the NABARD scheme in the erstwhile SBSSU, Fzr with an objective to make optimal utilization of existing available resources and to accelerate the development process of the state in general and this border region in particular. Polytechnic Wing is housed in Block-D. It offers AICTE recognized three year diploma programmes in four engineering streams which are affiliated to Punjab State Board of Technical Education & Industrial Training (PSBTE & IT). The academic year is divided into two

semesters, July to December and January to June. Board examinations are held at the end of each semester. The examination schedule, eligibility to appear in the examination etc. are prescribed by the Board. All the branches of Polytechnic Wing are recognized by AICTE, New Delhi. 10% additional seats for direct admission to 2nd year for diploma holder students through lateral entry scheme.

2.06 Skill Development Initiative (SDI) Scheme

Skill Development Initiative (SDI) Scheme is a Punjab Govt. initiative to provide skill training to unemployed youth, school drop-outs or present workers who are working in the informal sector on low wages. It aims to reduce unemployment by providing quality training. SBS State University has been registered as a vocational training provider (VTP) under this scheme to run various training courses.

3 Departments, Faculty Members and Facilities

3.01 Department of Applied Sciences and Humanities (Engineering Wing)

This Department comprises of sections of Applied Physics, Applied Chemistry, Applied Mathematics and Humanities. Following are the specific objectives of this department:

- To teach engineering and basic science courses at UG, PG & Doctoral levels.
- To train manpower with a view to protect environment and optimal utilization of engineering materials for meeting the ever growing demand of environmental friendly technologies.
- To inculcate and pursue the spirit of R & D in engineering graduates, science post graduates and doctoral students.

3.02 Department of Mechanical Engineering (Engineering Wing)

The Mechanical Engineering Department of SBS State University has served as a role model for many engineering university in the region. A large number of the graduates who have passed out from this department occupy senior positions in various engineering industries all over India (and even abroad). A competent and professional team of 21 full time faculty, mostly having Ph.D. and M.Tech. Qualifications from reputed universities, is backing up the steady growth and development of this department. The department has sixteen Laboratories fully equipped with latest equipment and a strong team of supporting staff to provide strong and active support in the smooth functioning of the different Laboratories. The Laboratories are equipped to carry out research in all areas related to Mechanical, Production and Industrial Engineering.

3.03 Department of Computer Science and Engineering (Engineering Wing)

Considering the high expectation of the ever challenging industry, CSE department promises to transform the students into innovative and dynamic professionals. There has been a rapid growth in the infrastructure of the department since its inception in 1996 and there has been no looking back. The department has well established computer labs in addition to computer centre in which the practical knowledge of programming, networking, operating systems etc. is imparted to students. The department has produced quality computer professionals who are employed in Public, Private and Educational sectors all over the nation and aboard bringing good name to their alma mater.

Following are specific objectives of the department:

- To provide knowledge of modern computing systems as well as sound theoretical background to meet evolving needs of students.
- To achieve excellence through exploration of ideas, their interpretation, application and dissemination of knowledge.
- To provide a vibrant academic environment to produce knowledge based research oriented professionals.
- To strengthen research activities.
- To foster strong industry-university interaction.

3.04 Department of Electronics and Communication Engineering (Engineering Wing)

The ECE department offers regular undergraduate (B.Tech) and postgraduate (M.Tech) courses in Electronics and Communication Engineering for last more than 20 years. The department is also offering B.Sc (Honours) in Applied Physics, PG diploma in Internet of Things (IoT), and One year diploma in Biomedical and Healthcare instrumentation. The department is also offering Minor degree in Internet of Things (IoT) to place our students in esteemed multinational and international related industries. The department has a prestigious history of placing the students of ECE in renowned multinational companies (in National and abroad), Public sector undertakings (PSUs), Government establishments, for instance (Ericsson, Bel, TCs, Infosys, Accenture, Wipro, ISRO, DRDO and many

more) through campus placement drives.

The department has well-established Labs for the practical exposure of its students. The curriculum of the department is designed to provide its students an exposure of all the fields of Electronics and Communication Engineering. After satisfying broad basic requirements, students may choose advanced elective courses for more focus and breadth. Following are the specific objectives of this department:

- To develop high quality, professionally groomed technical and engineering manpower
- To be dynamic, innovative and flexible in devising courses to meet the latest technological challenges.
- To act as a facilitator for knowledge generation and dissemination through Research, Institute-Industry and Institute-Interaction.
- To establish a center of excellence in the areas of “Microprocessor” & “Communication Systems”.

3.05 Department of Chemical Engineering (Engineering Wing)

The department offers all the necessary facilities and opportunities to the students for developing them professionally and academically. The students of the department have already proved themselves in the professional world, being placed in esteemed industrial houses like Lurgi India, McKenzie, Reliance, Glaxo-SmithKline, NFL, Hindustan Uniliver, Max India, Gujarat Florochemicals, IOCL etc. All the faculty members of the department are highly qualified. All the Laboratories in the department are well equipped.

3.06 Department of Electrical Engineering (Engineering Wing)

Sensing the growing demand of Electrical Engineers due to growth in Power Sector and other electrical industries, the department of Electrical Engineering was established in year 2003. Right from its inception, the department is continuously striving for excellence through development of Laboratories and all necessary infrastructures. The specific objectives of this department are to provide a right combination of practical and theoretical knowledge to its students and to achieve excellence through exploration of ideas, their interpretation, application and dissemination of knowledge.

3.07 Department of Civil Engineering (Engineering Wing)

One of the primary engineering departments of the Shaheed Bhagat Singh State University, Ferozepur (Punjab). Department of Civil Engineering was established in the year 2011. Since then department offers regular academic course of B.Tech. degree in Civil Engineering with an annual intake of 60. The Department actively promotes curriculum development activity by updating existing courses, developing new courses and preparing resource material for teaching. The expert faculty members are involved in several basic and applied research works, many of which also get translated to solve various challenging issues of the society at large. The department is also providing consultancy to various governmental/private organizations in Structural/ Geotechnical/ Highway/ Surveying/ Environmental Engineering.

3.08 Department of Computer Applications Wing

With an aim to produce professionals known for their innovation, imagination, synthesizing and analytical competence, scientific intellect and business competency, departments of Management; Information Technology and Computer Applications came into existence in 2010. The various graduation and post graduation programs offered by these departments provide a perfect platform for creating managers and IT professionals who will cater to the demand of Indian industrial sector. These programs groom the students into professionals through their academic and multifaceted personality development.

3.17 Department of Agriculture

The university also offers Bachelor of Science [B.Sc. Honors] Agriculture, an undergraduate course that focuses mainly on agricultural science with intake of 60 seats. The course duration of B.Sc. Agriculture is 4 years. This degree deals with disciplines like- Agricultural Microbiology, Soil Science, Genetics and Plant Breeding, Plant Pathology, Food Microbiology etc. The eligibility criteria for B.Sc Agriculture course is 10+2 from a recognized board having Physics, Chemistry, Biology/Mathematics as mandatory subjects. Since Agriculture is the backbone of our country, there will be an evergreen job scope for B.Sc Agriculture course in India. Agricultural officer, Agriculture Research Scientist, Agricultural Analyst are some of the popular jobs one can get after completion of B.Sc Agriculture course.

4 Central Facilities and Amenities

4.01 Training and Placement Office (TPO)

SBSSU has constituted an active Training & Placement Office (TPO) that continuously works for campus placements of students as well as for arranging their industrial training. The Cell has been instrumental in placing a large number of students at various corporate positions of the industries of repute. The TPO is a multifaceted body that includes representatives of faculty members and students of each department.

The TPO has developed a far reaching mechanism to monitor and guide industrial training programme of State university students and takes proper feedback from industry about students' performance. With this feedback, the TPO continuously apprises the respective departments about current & latest needs of industry who henceforth chisel their students accordingly. The cell has developed a symbiotic relation with the corporate world and visualizes this association to touch dizzy heights. It aims to reach the moment when every single passing out student of SBSSU becomes the most sought after asset to be owned by the industry.

The students of our Campus have been placed in reputed companies like Infosys, Accenture, TCS, Oracle Corporation, HP India, IBM, Infogain, PCS, iGATE, Escorts, Wipro, Sonalika, Honda, Mahendra Satyam, Dell Services, MAX India, DSM-Sinochem, TCE, Nestle India Ltd., Trident, Indian Navy, India Army, L & T InfoTech, Bajaj Motors, HCL, GVKpower, Hero Cycles, Emicon, Enbake, Grundfos, Pompeii Technologies, Morgan & Stanley, Amdocs, Head strong, Ganpact, Capgemini, KPMG and many more.

4.03 Central Library

Progress in this information age depends largely on front line knowledge/information gained by educationists, technologists, engineers and scientists and library plays a key role in dissemination of information. The flood of literature, shrinking resources, escalation of prices has made it impossible to get all information at individual level. So, at this stage, the library comes to the rescue to its users. Central library of the State university has an adequate number of books to meet the present requirements of the students and staff in the subjects and fields of the ongoing courses. Around 33,000 text-books and reference books have been procured in various streams of science, Engineering, Management & Humanities. For topical awakening of students and staff, it subscribes to 8 Local and National Newspapers, 26 Serials/periodicals and 69 Journals of national & International standard covering all fields of Engineering and Management. It also subscribes e-journals detail of which is as follow.

- ❖ Elsevier Engg. Plus Computer Science e-journals
- ❖ ASME 26 e-journals plus back file from 2000.
- ❖ IEEE all society periodicals package (ASPP) 146 e-journals backfile to 2000.
- ❖ Library is member of DELNET (Developing Library Networks).
- ❖ Book Bank for SC/ST Students.
- ❖ Air Conditioning reading halls.

Library is procuring books on regular basis also, it hold book display at regular interval. Library having various section ,i.e. Reference Section ,Text Book Section, Book Bank Section, Circulation Section, Newspaper, News Letter, Journals, Magazines Section, CD-ROM facility

To cater to the everyday needs of students, staff members and their families residing in the staff colony, State university has a shopping complex located in the center of academic area, hostels and staff colony. It includes a grocery shop, a stationary shop, a photo-state shop, a confectionary shop, and a fruits & vegetables shop. The quality of services provided by shopkeepers is duly monitored by State university authorities.

4.12 Canteen Facility, Nescafe Outlet and Verka Booth

Market complex also houses canteens and a Nescafe outlet for providing fresh and hygienic food items to students. Students can enjoy snacks and relax in the heavily wooded lawn situated in the area between canteen and Nescafe outlet. Various milk products of Verka are also made available to the students in the Verka booth in front of academic blocks.

4.13 Gymnasium

State university boasts of a state-of-the-art gymnasium. For the benefit of University Campus residents timings for boys, girls and staff are scheduled separately.

4.14 Bank and ATM

Branch of State Bank of India is located in the Market Complex. ATM of the same bank is also available for 24 hour cash withdrawal facility on the main gate of the State university.

4.15 Post Office

State university also has a Post Office situated in the Market Complex. An exclusive PIN code 152004 is allotted to its operational area that mainly comprises this university. Apart from regular facilities like Speed Post of any post office, students can also take benefit of small savings schemes of the Post Office.

4.16 Guest House and Hostel Guest Rooms

State university Guest House is situated in staff colony. Its services are mainly utilized for official guests of the State university. Apart from guest house, one guest room is also available in each hostel. Hostel guest room facility is available for student's benefit at nominal rents as per hostel rules.

4.17 Staff Colony

SBSSU has a unique distinction among all the engineering State university in Punjab that almost its entire regular faculty stays inside the campus. The staff colony has six categories of houses, a children's park and all the necessary facilities and amenities for a pleasant stay of staff residing there.

4.18 ERP- Cell

ERP- Cell has been established in the university to automate day to day working of the university. This will make the working of the university paperless. All functions of the university will be managed through ERP solution supplied by reputed software company that works on cloud based technology. The Academics, Account section & Library have been covered in the first phase. In the next phase HR Procurement & Inventory, Payroll, Hostel, Transport etc, shall be implemented. ERP –solution provide online information to all students, faculty and staff regarding exams, salary and income-tax etc. All students are able to view their performance through ERP-Solution. Attendance of all staff & students is marked using Biometric machines.

5. Platforms for Student's Multifaceted Development

5.01 Society for Extra Curricular Activities (SECA)

Engineer as the world stands, means a professional, and a professional should never and never be a bookworm. He/She must have a well groomed persona with multi dimensionally developed skills in his armory. Keeping this in view the State university has given its students (the future Engineers) a mega platform namely Society for Extra Curricular Activities (Abbreviated as SECA) to give them abundant opportunities to develop their interpersonal skills and explore their creativity and innovation. Students are given a chance to plan, co-ordinate and manage the events themselves as it was thought that mere participation did not solve the purpose for which SECA was formed. To achieve its goal, a student body is formed every year at the start of the session by the Faculty In-charge and Secretary of the society. To cater to various aspects of a student's personality, SECA has been segmented into four sections:

- 1. PERSONALITY DEVELOPMENT:** This section looks after activities which help in overall development of the personality of the students like developing oration skills, improving communication skills etc.
- 2. CULTURAL ACTIVITIES:** These activities play a pivotal role in keeping the students rejuvenated and refreshed. These activities infuse the spirit of enthusiasm & rapturous jubilation in their cumbersome daily routine. It also gives them a platform to polish their artistic abilities.
- 3. HOBBIES DEVELOPMENT:** The section of hobbies development brings to light and develops the hidden facets of one's life through numerous activities like painting,

poetry, sketching, pottery, Rangoli making etc.

4. **MOKSHA - THE MUSICAL TROUP:** It nourishes the musical, instrumental and vocal talents of the State university.

All the activities mentioned above are organized regularly throughout the year.

"JASHAN"-THE ANNUAL CULTURAL FEST: It is the annual cultural extravaganza of the State university which is generally organized in the month of April at inter-Engineering/National level.

JASHAN 2k19 - The annual cultural extravaganza of the state university was organized on 14th - 15th March, 2019 at inter-engineering/national level.

AAGMAN 2k19 was organized on 26th September 2019 which is a welcome party for the first year was conducted for welcoming first year by senior students by seniors and staff

5.02 Indian Society for Technical Education Students Chapter (ISTE)

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit making Society. First started in 1941 as the Association of Principals of Technical Institutions (APTI), it was converted into Indian Society for Technical Education" in 1968 with a view to enlarge its activities to advance the cause of technical education. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE/DST/MIT/State Governments are associated with ISTE to provide a technical platform to the engineering students to enhance their technical knowledge. The ISTE student chapter of SBSCET, Ferozepur has been organizing National level Technical-fests with the name of TECHNO-OPUS and CHAZZANS every year. These technical-fests motivate students to expose their hidden talents with their splendid and brilliant flair along with to enhance their professional ideals & standards. These national level events are designed with a mixture of technical and non technical events and only for the technical development but also for personality development of students. The ISTE (students) of SBSCET, Ferozepur is on its way to produce technical professionals to be a part of future technical world.

5.04 Departmental Technical Societies

State university has eleven department wise technical societies to chisel the technical skills of students in their respective fields. These societies aim to augment zeal of learning and to keep its members abreast of the latest developments in their technical fields. These societies aim to transform its members into perspicacious and innovative individuals besides improving their

technical know-how, logical and analytical skills. For overall pruning and chiseling of personality of students, they regularly organize activities like Technical exhibitions, General/ Technical Quizzes, Group Discussions, Debates, Declamations, Seminars etc. at State university level. All the departmental societies and their Officer In charges are as tabulated below:

5.08 National Service Scheme (NSS)

This State university has been allotted 2 units of NSS in Engg Wing. Each unit has an intake of 200 student volunteers. The central theme of NSS activities is to make students understand that their first duty should be, not only to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but also for preparing themselves for final dedication in the service of those on whose back they are resting. To accomplish this goal, it is sought to arouse the social consciousness of students and provide them with opportunity to work with the people around the educational campus creatively and constructively and to put the education they receive to concrete social use. In fact, the primary aims of the scheme are to enable the students to upgrade their personality and experience through community service. The motto or watch word of NSS is "NOT ME, BUT YOU". This expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and also to show consideration for fellow human beings. NSS units of the State university organize cleanliness camps, blood donation camps, seminars and educational trips to fulfill the mission of NSS. Among NSS volunteers one boy and one girl is selected as Group leader per batch per unit. NSS volunteers are awarded with certificates and general fitness marks as per their performance in NSS activities. NSS volunteers have an opportunity to attend adventure camps, cultural programme camps organized by PTU.

5.09 National Cadet Corps (NCC)

NCC is compulsory for completion of the B.Tech. Degree as per the new ordinances of, IKGPTU Jalandhar. The State university has two (02) NCC sub units run by 13 Pb Battalion Fzr & 5 Punjab Battalion Moga. There are two platoons of boys and one platoon of girls. To enhance the confidence level and to fill the students with the patriotic feelings, the State university has applied for new platoons. The SBSS University is drawing its attention by providing such challenging activities in its campus to the technical students to be an important part of Indian defensive wing. NCC lays a sound foundation to enter into the field of Defense. Besides this, the additional marks are

included in almost every technical interview for every NCC cadet, especially, during the recruitment of Defence officials. Also 50 marks are awarded for NCC in general fitness marks every year.

Associate NCC Officer (Boys & Girls) - Maj. (Dr.) Kulbhushan Agnihotri, Associate Professor, DASH

5.10 Eco-friendly Group

It is a group of eco-friendly and environmental conscious students which take up activities like tree plantations, anti-polythene campaigns and good housekeeping of State university and hostels etc.

Officer In-charge

Mr. Gurpreet Singh, Lab. Supdt.

5.11 Games and Sports

Participation in games and sports activities and competitions has tremendous potential for better education of humans, especially the children and youth. Participation in physical education & sports ensures better health of the people and has preventive function against various illness and diseases of the present day man who is becoming more and more physically inactive. Sports serves as a very good means of recreation for the modern civilization which is becoming increasingly prone to psychological stress of modern day living and work condition. For the proper utilization of leisure time State university have a vast lush green play' fields measuring 245x245 meter. In this area playgrounds such as 400 meter, athletic track, hockey ground, basketball ground volleyball, lawn tennis and badminton. All the playgrounds are watered with water sprinkling system. The facilities of swimming pool and cemented courts for lawn tennis are available. Indoor games like carom, table tennis, chess are available in each hostel. The State university has started fitness centre in the campus.

5.12 Student Advisory System

State university follows advisory system as per instructions of IKGPTU, Jalandhar. In this system a group of 15-20 students are allotted to advisors chosen by Chief Counselor (appointed by the Director of the State university). Advisors/Mentors act as Counselors for their group of students. Their functions include mainly providing guidance and encouragement to students to build up a balanced personality. They are also supposed to apprise students about rules & regulations of the University/ State university and amendments there in from time to time. Advisors are to act as local guardians for their group of students apart from acting as link between the State university and students, if there is a need. In a nutshell Advisors (necessarily a faculty of the State university) act as MENTORS for their group of students. Chief Counselor makes sure that Advisory System is being followed in the right spirit.

Chief Counselor

Mr. Gurnam Singh, Associate Professor, ME

5.13 Webmaster's Group

The Webmaster's group is formed by selecting a group of students who have exceptional skills and flare for making and managing websites. Through this platform they get an opportunity to further sharpen their skills by developing and managing the State university website.

5.14 CISCO Networking Academy

The State university has joined hands with CISCO, a pioneer company in Networking Products and Networking Solutions, through United Nations Development Programme, New Delhi sponsored project called APDIP (Asia Pacific Development Information Programme). In this academy we are preparing our students for CCNA (Cisco Certified Networking Associate) and other practical exposure of CISCO equipments.

5.15 SBSCET Alumni Association

An Alumni Association of Ex-Students of SBSCET, Ferozpur has been registered under the name of 'SBSCETians'. The various objectives of the Alumni Association are:

- ❖ To arrange a meet of all the Ex-students of the State university from time to time.
 - ❖ To arrange career guidance seminars for the State university students by inviting Ex-students of the State university.
 - ❖ To create a link between current students and Ex-students of the State university so that they can take valuable guidance regarding their Industrial trainings as well as placements
 - ❖ To work for the over upliftment of the State university by seeking contributions/suggestions from the Ex-students.
 - ❖ To help State university authorities for arranging convocations of the passed out students from time to time for awarding Degree/Diploma certificates.
- To construct Alumni House for the Ex-Students for their accommodation in the State university campus.

Coordinator

Mr. Anil Bansal, Associate Professor

7. Admission Procedures and Seat Matrices

7.01 M. Tech / Ph.D

The University offers AICTE approved full time Post Graduate programmes (M.Tech) in various disciplines of engineering as indicated in Table 2.1 which also depicts the number of seats and eligibility criteria. Seats are allotted based on the merit of B.Tech marks and the choices of the students. The University also offers M.Tech Part Time Programmes in various disciplines indicated in Table 2.1. The students are allotted seat as per their merit

-			6	Electrical Engg.	25

Ph. D. Programmes:

The institute offers Ph. D. Programmes in the disciplines of Engineering, Science, Humanities & Management and Computer Application as listed below.

- Computer Sci. & Engg
- Electronics & Comm. Engg
- Electrical Engg
- Mechanical Engg
- Civil Engg
- Chemical Engg
- Mathematics
- Chemistry
- Psychology
- Management
- Computer Applications
- Environment Sci. & Engg
- Material Sci. & Engg

The admission to Ph. D. Programmes is made through entrance examination conducted by SBSSU and subsequent interviews. The schedule of the entrance examination/ counseling, admission criteria, rules and regulations of Ph. D. is notified by SBSSU on its website www.sbssu.ac.in in time to time. The detailed admission process is as per follows:

- (a) Candidates for admission to the Ph.D programme shall have a Master's degree in the relevant/allied subject or a professional degree declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the

- purpose of assessing, accrediting or assuring quality and standards of educational institutions.
- (b) A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, shall be allowed for those belonging to SC / ST / OBC (non-creamy layer) / Differently-abled and other categories of candidates as per the decision of the Commission from time to time, or for those who had obtained their Master's degree prior to 19th September, 1991. The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned above are permissible based only on the qualifying marks without including the grace mark procedures.
