## 1. Academic Status Review Committee

The following committee was constituted by Hon'ble Vice Chancellor for reviewing the existing courses including all Engineering departments, Polywing, Computer applications and School of Architecture on various parameters such as financial status and salary expenditure, etc. and suggesting the new courses that can be started from this or next Academic Session.

1. Dr. A K Tyagi, Professor, Deptt of Applied Sciences and Humanities
2. Mr. J K Aggarwal, Registrar
3. Mr. Japinder Singh, DR Accounts
4. Dr. Sunny Behal, Dean Academics
5. HOD of Concerned Branch

The committee devised a feedback performa and collected the information from all the departments keeping in view the feedback from the departments/schools/wings and deliberations held in an online meeting of all the HODs, Registrar, Principal (Polywing), Principal (SOA), DAA and Dean Academics with Hon'ble VC, dated: 14-05-2021 and HoDs meeting with the committee members dated: 10-05-2021.

As decided in the aforesaid meetings, an exhaustive report with in-depth analysis of Academic status of various departments and proposed roadmap to overcome the existing deficit situation of the departments and hence, the university, has been prepared.

As proposed in these meetings, the latest data of one year i.e. 2020-21 has been used for the purpose of calculations of income/expenditure statements. Depending upon the feedbacks from all the departments/schools/wings, a proposed roadmap based on projections of the Academic status of the respective departments/schools/wings for the next 3 years, has been presented in the report. For the calculation of income prediction of new courses, the Fee structures of IKGPTU/MRSPTU have been used as a reference.

Presently, the Academic Status Review of all the teaching units has been done and as per the recommendations of meeting of university authorities with Hon'ble VC dated 14-05-2021, the central facilities have not been directly included in this Academic Status Review report. Primarily the main emphasis is on starting the new demand based new programmes of study and increasing the number of admissions in the University in the existing, as well as, new proposed courses.

The report has been devised in seven sections; separately dealing with department wise intake and status of admissions (Last 5 years) of existing courses, roadmap to overcome the existing deficit situation, new courses proposed to be started from the current session 2021-22 and next Session i.e. 2022-23, the fee collection for existing courses, statement of income and expenditure of academic units and finally the year wise Income/Expenditure of the University.

#### 4. Roadmap to Overcome the Existing Deficit Situation

Keeping in view the present admission scenario of different programmes being offered presently, the committee recommends a three fold approach to improve the admission scenario and thereby the financial status of the university.

- Increase/decrease in the intake of the existing programmes
- Intense focus on increasing the admissions in the existing programme at least by 30-40 % taking full advantage of being upgraded to university, NAAC and NBA accreditations, autonomous status and aggressive efforts by Admission & Branding committee and university administration.
- Starting new programmes/courses in the university from this and next Academic session in a phased manner to ascertain the financial sustainability.

|-------|-----------------------------------|-----------------|--------------------|
| 1     | B.Tech Mechanical Engineering     | 120             | 60                 |
| 2     | B.Tech Electronics & Comm. Engg.  | 60              | 30                 |
| 3     | Diploma in Mechanical Engineering | 120             | 60                 |
| 4     | BCA                               | 60              | 90                 |
| 5     | B.COM                             | 30              | 60                 |

The list of various courses which are proposed to be starting from this session i.e. 2021-22 and from the next session 2022-23 are summarized below:

| Courses proposed to be starting from Academic Session 2021-22 |   |               | Courses proposed to be starting from Academic Session 2022-23       |        |
|---|---|---------------|---|--------|
| Sr No   | Name of Course  | Intake        | Name of Course  | Intake |
| 1   | B.Voc (Web and Data Analytics)  | 30            | B.Sc. Non –Medical  | 30     |
| 2   | PG Diploma in IoT & AI  | 30            | B.Tech. Electronics & Computer Engg.                                | 60     |
| 3   | Diploma in Biomedical and Healthcare Instrumentation  | 30            | M. Tech. (Highway Engineering) Part Time                            | 25     |
| 4   | M. Tech (Chemical Engineering) – Part Time  | 20            | B. Planning in Focus Infrastructure Planning                        | 40     |
| 5   | Diploma in Chemical Engineering   | 20            | Diploma in Civil Engg   | 60     |
| 6   | M.COM   | 30            | Diploma in Medical Lab. Technology                                  | 60     |
| 7   | B.Tech CSE (Hons) / Minor Degree in Data Science  | 20% of Intake | Two Skill development courses run under PMKVY/Deen Kaushlaya Yojana | 30     |
| 8   | PhD in all streams (Computer Sci. & Engg, Electronics & Comm. Engg Electrical Engg, Mechanical Engg, Civil Engg, Chemical Engg, Mathematics, Chemistry, Physics, Psychology, Management, Computer Applications, Environment Sci. & Engg and Material Sci. & Engg) |               | Bachelor of Interior Design / Bachelor of Construction Technology   | 30     |
| 9   |   |               | Food & Nutrition  | 30     |

Keeping in view the aforesaid analysis, proposed increase/decrease in the intake of existing programmes, starting of new demand-based courses, proposed admission scenario the available infrastructure and human resource, future prospectus of the above proposed courses, the committee feels that at present, there is no immediate need to close any department/course, in light of the deliberations with the HoDs/ principals. However, the three-fold approach /roadmap to overcome the existing deficit situation as stated above, may be adopted to ensure the financial sustainability, optimal utilization of available resources and exploiting the future potential of the proposed programs.

The deficit in the financial statement is proposed to be met by Government Grant-in aid, introduction of new innovative teaching programmes and departments and aggressive admission campaign.
